THE EPISCOPAL CHURCH SERVING BELGIUM

## **The Mission of All Saints' Church**

We welcome all with joy to our spiritual home.

We seek to share and to deepen our faith and our love of God through Anglican worship, pastoral care, Christian nurture, and vibrant community life.

## **The Mission of the Convocation of Episcopal Churches in Europe**

The Convocation of Episcopal Churches in Europe is a welcoming community that knows God loves all people – no exceptions. We celebrate our diversity of languages, cultures and nations. Worshipping together, we rejoice in reaching out to the world and becoming One in Christ.

## **The Five Marks of Mission of the Anglican Communion**

To proclaim the Good News of the Kingdom.

To teach, baptize, and nurture new believers.

To respond to human need by loving service.

To seek to transform unjust structures of society, to challenge violence of every kind, and to pursue peace and reconciliation.

To strive to safeguard the integrity of creation, and sustain and renew the life of the earth.

## **PRAYER FOR THE CONVOCATION:**

O God, we pray for the Convocation of Episcopal Churches in Europe as we discern and elect a Bishop to serve your people, build up your Church and proclaim boldly the Gospel to the world. Send us, we pray, an Apostle who is a wise counsellor, a merciful pastor, filled with your joy and grace. May your servant have the abundant gifts needed to lead your flock and the strength and courage to administer them. And may we renew and rededicate our lives to your will and service. All this we pray in the Name of our Great High Priest and Servant of the servants of God, Jesus Christ our Lord. Amen.

## From the Rector: **The LAST *Saints Alive!***

For the past three years it has become increasingly evident that this monthly newsletter is not the best way to communicate with All Saints' members and friends. This is the last edition of the regular monthly newsletter. In recent editions I have asked if there were views about continuing or stopping it. The lack of response to those queries is counted as proof of lack of interest in continuing the current format.

Thanks are due to Fiona White and others for keeping it going all these years.

We continue to have a weekly shorter, more reader-friendly newsletter in the form we have called e-Blasts – they simply “blast” the priority news of the congregation more regularly, through a quick-read email. Similarly, when we have news to announce and pictures to share they are quickly made available on our Facebook page – <https://www.facebook.com/AllSaintsWaterloo> – and our website – <http://www.allsaints.be>

We will also continue to have a seasonal news magazine, which will be called *For All the Saints* to avoid confusion with the old format.

The truth is, most of us in the church – and secular society – do not live by months as much as by seasons. Advent sometimes begins in November and sometimes in December. Lent begins in February or March, and Easter in March or April and so on. So our new magazine will more logically match our seasons and the true times of change and new news in our lives.

What matters more about all this is that All Saints' parish and friends continue to try to communicate our news, our celebrations and concerns in a way that helps us feel connected to one another as we journey in worship and faith.

## **Rector's worship thoughts: Our Nation is the Kingdom of God**

In the Peace Tower on Diksmuide, near where the trenches of the 1st World War began, there is a museum area which explains the power of Nationalism as an instigator of hatred and dehumanization causing conflict. I keep this in mind every time we approach nationalistic holidays in relation to the church. We do not worship

# SAINTS ALIVE!

a nation. We do not worship a flag or a country for which it stands. We worship only God, known to us in Jesus Christ and through the Holy Spirit. There are many social influences to join in celebrating various potentially nationalistic events, which I want to recognize, with the reminder that God and the whole kingdom are our true celebrations.

For the marking of American 4th of July, and indeed for all nationalist commemorations, I have found two hymns whose words are especially appropriate in reminding us of our true identity, not in a place defined by earthly geography, but by God's creation of the whole of it. So it is that on the Sunday closest to the US national holiday that we recently sang two hymns that especially express our faith and understanding, as Christians, of the tendency toward nationalism. The words of the first are:

This is my song, O God of all the nations,  
 A song of peace for lands afar and mine.  
 This is my home, the country where my heart is;  
 Here are my hopes, my dreams, my sacred shrine.  
 But other hearts in other lands are beating,  
 With hopes and dreams as true and high as mine.  
 My country's skies are bluer than the ocean,  
 And sunlight beams on cloverleaf and pine.  
 But other lands have sunlight too and clover,  
 And skies are everywhere as blue as mine.  
 O hear my song, O God of all the nations,  
 A song of peace for their land and for mine.

The other song we sing is commonly called *The Battle Hymn of the Republic*. We often get so caught up in the vibrant music that we do not catch the power of the words of Julia Ward Howe:

I have seen Him in the watch fires  
 of a hundred circling camps,  
 They have builded Him an altar  
 in the evening dews and damps,  
 I can read his righteous sentence  
 in the dim and flaring lamps,  
 His day is marching on.  
 Glory! Glory ! Hallelujah! Glory! Glory! Hallelujah  
 Glory! Glory ! Hallelujah! His truth is marching on.

# SAINTS ALIVE!

He has sounded forth the trumpet  
that shall never call retreat,  
He is sifting out human hearts  
before His judgment seat,  
Oh, be swift, my soul, to answer Him!  
Be jubilant, my feet,  
Our God is marching on

In the beauty of the lilies  
Christ was born across the sea,  
With a glory in his bosom  
that transfigures you and me,  
As He died to make us holy  
let us live to make all free,  
His truth is marching on

From the air, looking down, we do not see true lines separating us. We are one – one with the people who are driven from Syria and Sudan to the safety of Syria. We are one – one with those who join us having left their places of birth in Rwanda and Burundi. We are one – one even with those on the other side of the Atlantic, or elsewhere even more distant. In Christ there is no East or West, in him no South or North, but one great fellowship of faith throughout the whole wide earth. Languages and politicians may separate us, but in the God who makes and loves us all, we are one.

## Rite 13, June 2018

This June we celebrated eight of our young members in a Rite 13 ceremony that was lead by the youth. This service was a culmination of their spiritual formation over the past few years, lead by their fabulous teacher Felicity Handford.

Turning 13 is a big step in the journey toward adulthood and this is when we, as a church, recognize that these young people are starting to take their faith into their own hands. From reading the scriptures to learning the prayers to giving the sermon, this service was a reflection of how our congregation welcomes all ages to participate in worshipping God.

Congratulations and blessings to: Jeremy, Sophia, Indira, William, Margot, Mary, Stella and Samuel (via Skype!).

# SAINTS ALIVE!

## Relay for Life

For 24 hours, members and clergy of All Saints' walked the track to raise money for cancer research at Berlaymont School. Online, our team raised €1,135 toward the overall amount of €34,784.50! The final total for our team is still to be released by the organizers.

There were 381 participants during the event and just about all of them probably came through the All Saints' book tent at some point.

Thanks to our volunteers for helping set up the tents, sell the books and clean up after the event. Many people went home with books from All Saints'!

We look forward to participating again next year and hope to have the team grow once again.

## Abbreviated highlights of the Vestry meeting of 14 May 2018

1. The meeting opened with everyone reading the **prayer** from ‘Thy Kingdom Come’.
2. **Absence:** Katie Osweiler (Curate), Nadia Molenstra
3. **Approval of minutes from the last meeting:** The minutes of the April Vestry meeting were approved unanimously.
4. **Vestry check-in:** We welcomed Susan Downhill as our newest member (approved by email vote in April.) Sunny referred to the Easter 7 Gospel: Jesus prayed for his disciples that they may have his joy complete in themselves. What brings Vestry members joy? Answers varied from a good putt straight down the middle to enjoying the seasons, being by the sea, completing a long walk or a climb up a mountain, and getting joy from grandchildren. How might we bring joy to people inside/outside ASC? By developing a good sense of community, putting on fellowship events that we know work (Thanksgiving, summer barbecue). Our focus now is Convention, but how can we boost interest? Through food perhaps, with a monthly community dinner. ASC used to hold theatre dinners in the past – *Under Milkwood* – and home groups, though this would be challenging with the lower numbers we have today.
5. **Ministry and committee reports:**
  - 5.1. **Formation**
    - a. Michael Smets-Tolley reported that Sunday School is going well and starting to wind down for the summer break. Hopefully new teachers will come forward in the fall. Attendance is running between 6 and 12 children. Sunny suggested that attendance is tracked. Teachers’ gifts will be bought/made by the children for the end of Sunday School on 17 June. The Rite 13ers had a great weekend at JAE in Clermont-Ferrand. Suggestions are needed for the *Book of Wisdom*, plus plans for a new Youth Group next year.
  - 5.2. **Convention**
    - a. The registration procedure is in place and awaiting for Bill Bythell’s final approval.
  - 5.3. **Fellowship**
    - a. Gabrielle Conforti-Quinet reported that we had a very successful ‘Katie Day’ and Blue Jean Sunday. She will arrange a date for the summer barbecue with the Pandian-Molenstras.
  - 5.4. **Outreach**
    - a. In Katie Osweiler’s absence, Sunny announced that the annual Convocation Pentecost Mission Sunday ingathering this year is for Puerto Rico hurricane relief.
    - b. Relay for Life, 2-3 June. Nine people are signed up and ASC is currently in fifth place for donations raised.
    - c. An Outreach mission project could be suggested for the Sunday School and Rite 13. For example, they could prepare the bake sale to raise money, or update the greeting cards that are for sale.

# SAINTS ALIVE!

## 5.5. Finance & Property

- a. The roof has been repaired. This leaves the outside wall still to be fixed. Someone is coming soon to give a quote.
- b. Sicli want us to have a maintenance contract for the fire protection. This would cost €695 + VAT p.a. It was decided not to go ahead.
- c. All Saints' has received a letter from the Braine-l'Alleud commune that a Shell petrol station is going to be built at Ch. de Charleroi 579, Waterloo, part of the expansion at the Carrefour area across the road from the church.
- d. Mike has just sent a further €6,000 to our lender.

## 6. Other business:

### 6.1 Appointment of Junior/People's Warden

Nick Fern was appointed Junior/People's Warden. He wants to develop a plan to pay off the loan on the building.

### 6.2 Online Safeguarding

There are two classes to be done for those working with the Sunday School/ Rite 13ers/ Youth Group. There is one course to be followed by all Vestry members.

### 6.3 eBlast and *Saints Alive!*

Michael said he was appreciating the new eBlast style. Fiona White said that she and Sunny would appreciate contributions being sent in to them for the monthly magazine.

### 6.4 Planters

Gabrielle asked what members thought about planters at the front of the church. It was felt these would look good but there needs to be a maintenance plan in place whenever anything is added to church property.

## 7. Rector's report

Sunny hoped that everyone enjoyed 'Katie Day'.

The church has a large number of archives. She has bought a cabinet for them but the papers need to be sorted out. Next year is ASC's 40th anniversary. It would be good to put together a rogues' gallery of rectors. Gabrielle and Nick offered to sort out the archives.

We still need photos of everyone in the parish on the board in the café. Someone needs to take charge of it.

Everyone needs to complete the form concerning the new data regulation. Churches may well be targeted so we need to comply.

There is a course for Vestry members coming up, organized by the Academy of Parish Leadership. Costs will be covered for three Vestry members to attend 15-16 June, just outside Paris. Others have found this course very worthwhile.

8. Everyone read the prayer from 'Thy Kingdom Come'. The meeting ended at 21.30.
